CANCELLATION POLICY
Revised January 1, 2010

Please be aware that if you need to cancel a session without giving me 24 hours notice in advance – specifically one full business day (Monday through Friday) – you will be charged \$110.00 for that cancelled session, which is my full fee (regardless of the reason for canceling). That fee will apply whether you use insurance to pay for part of your session fees or not, Insurance will not cover the cost of missed appointments. The responsibility for payment of missed appointments is solely yours, not the insurance companies. I reserve your appointment time exclusively for you, and I cannot fill that time slot if you decide not to keep your appointment.

If you have any questions about this policy, please feel free to ask me about them. Thank you.

I have read Dr. Karam's cancellation policy and I understand its terms and conditions. I have also been given a copy of this policy.
